## **Home & Garden TV to Showcase Aquarius for Innovative Stone Kitchen Backsplash Murals**

---

**Woodland, CA, (January, 2005)** - The television series "Kitchen Trends" on Home & Garden Television (HGTV), will be airing a thirty minute special, Sunday, February 6th at 9:00 pm, featuring Aquarius Laser Etching and Design for the beautiful stone etched backsplash options now available to homeowners. Along with Aquarius Laser Etching, the show will look at a variety of other new and exciting products that are being introduced to kitchens across America.

This half hour program will take a few minutes to look at how Aquarius Laser is able to produce custom artwork for the kitchens. "It was a lot of fun being on the show and letting people know about all the artistic options available for the luxury home kitchen," said General Manager, Jeronimo Martin.

Episode HKT05-106 titled "Ultra-Modern Kitchens, Trendy Wall Coverings" will air five time in January and February: January 31st 9PM, February 1st 1:00 AM, February 6th 1:30 PM, February 7th, 3:30 AM.

Kitchen Trends 2005 is the first magazine show dedicated to the latest and greatest in kitchen design. Each week, this exciting new HGTV show will provide an elegant showplace for information on the most up-to-date kitchen styles and products. Viewers will meet families who have transformed their kitchens utilizing the latest trends and be invited into dream kitchens where no expense is spared and luxury is embraced. There will be lively special features, celebrity guests and helpful hints for making that dream kitchen an affordable reality. Find more information, including bonus videos and feature articles, in our Kitchen Trends 2005 online package.

Laser-etchings are done on stone and can be inset with other stone on a backsplash or a floor. Artists hand-stain the stone to create the rich look after which a special stone sealer is applied to protect the surface.
